

**UPFIT YOUR NEW VAN
WITHIN 72 HOURS...
AND GET
TO WORK.**

***KARGO MASTER
QUICK PACKAGES***

CHOOSE YOUR PACKAGE

MAX PACKAGE

It's everything you need for a well-equipped van. Featuring two and three drawer units and bins for organizing small parts. Plus two locking shelf drawers to keep valuable tools and parts safe and secure. Includes shelf dividers and J-hooks for storing miscellaneous items. And access is easy from the driver's compartment through the locking partition door.

The pros go with Kargo Master

Choose from three different upfit packages to meet your shelving and storage needs. Quick installation gets you on the road within 72 hours. And it's fast and easy to upgrade when your needs change.

PRO PACKAGE

You'll get plenty of storage with two drawer units and shelf door kit, with open shelves for larger tools and equipment. Includes shelf dividers and J-hooks for added security and organizing flexibility.

GO PACKAGE

The ideal starter package, with a bulk head partition and three shelving units to get you quickly on the road. And your upfitter can easily add KargoMaster brand accessories and options as your business grows.

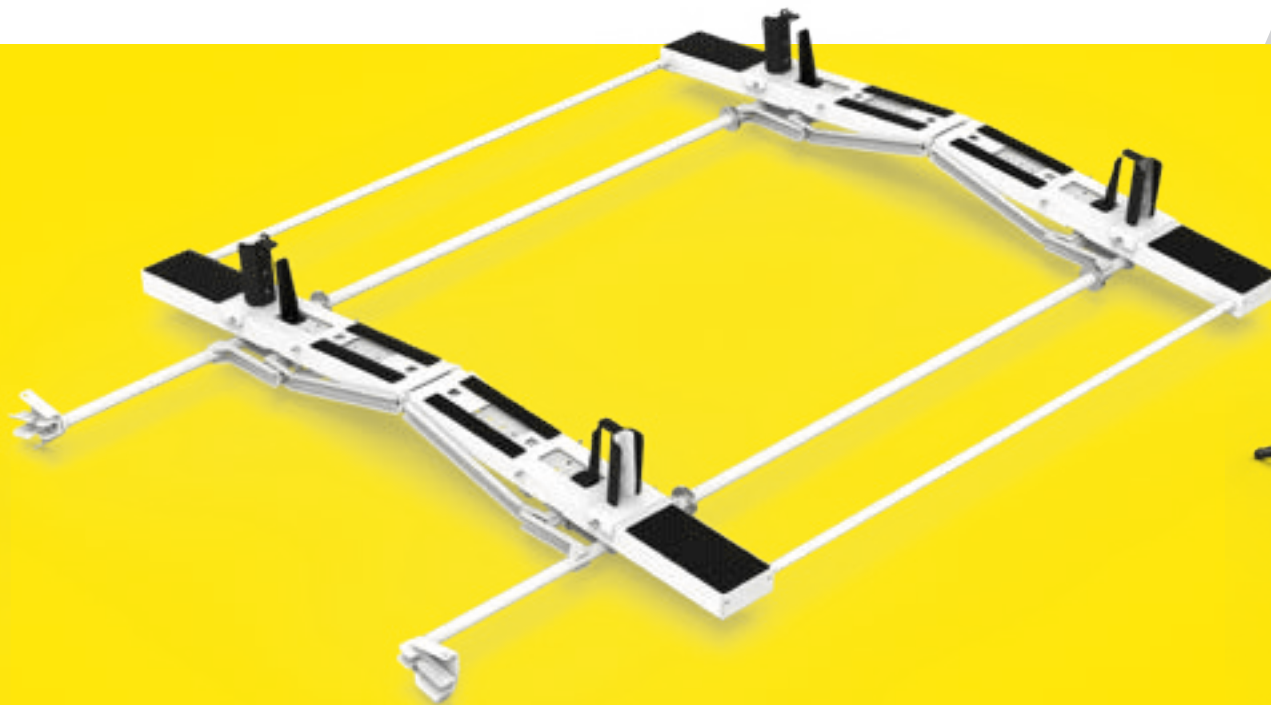

Next level easy.
